

Total File Size:

5,386

Base Cost:

£150 / 000

### Background

Last Updated: Aug 07

This mail order specialist manufactures and sells a range of products to help achieve a cleaner, safer, workplace. Products include: external and internal cigarette disposal systems, smoking shelters, 'front office products' and matting of all types and sizes.

All records on this high quality database are mail order buyers. All buyers have bought direct from No Butts Bins via direct mail and off the page advertising.

Companies on this file tend to have 50+ employees. The buyer is predominantly the Facilities Manager or those with a direct purchasing responsibility for the upkeep and maintenance of buildings and grounds.

This file is ideal for office product catalogues, computer supplies, financial offers, magazine & subscription offers, promotional gifts, business to business personnel offers and industrial / health and safety mailers.
